

SHORT & LONG TERM RENTAL

Get Industry-Leading, Dependable Vehicles at a Moment's Notice

Sudden demand for more rental trucks?

With rental vehicles from Idealease, you can stay ahead of industry innovations and capture all the growth your business can handle.

OUR DIFFERENTIATORS

Idealease offers a wide variety of industry-leading International® trucks and truck specs that are **dependable and well-maintained**. In order to adhere to current FMCSA regulations, Idealease rental trucks may feature Electronic Logging Devices (ELDs).

With nearly 50,000 trucks running nationwide, Idealease helps you meet your customers' expectations. We can provide the appropriate rental truck for the job and offer daily, weekly, or monthly rentals. Our rental fleet includes:

- Tandem Axle Day Cabs
- Tandem Axle Sleepers

RENTAL VEHICLES

Idealease rental vehicles are equipped for driver efficiency and comfort. Equipment generally available in our medium and heavy duty trucks include:

Heavy Duty:

- Automated manual transmission
- Rear air suspension with leveling valve
- Diamond interior
- AUX / USB / Bluetooth connectivity
- Air slide 5th wheel

Electronic Logging Devices (ELDs)/FMCSA Regulations:

All Idealease rental vehicles can be equipped with ELDs to comply with FMCSA regulations. Check with your Idealease Rental Manager to see if your drivers are exempt from using an ELD for intrastate operations.

If an emergency happens, Idealnet, our 24/7 live answer Roadside Assistance service, will direct your driver and vehicle to a service location and get them back on the road as quickly as possible.

LET'S GET YOU ROLLING!

Your Idealease Rental Manager will take your Credit Application and obtain your Certificate of Insurance. Once your rental account is approved, International® trucks and tractors are only one phone call away—with no additional paperwork. Idealease allows you to focus even more attention on serving your customers and growing your business.
